discuss

Winter Weather Forecasting and the Winter Ahead

Where: Rowan Co. Courthouse Fiscal Court Room
600 West Main Street
Morehead, KY 40351

When: 10 am EST, Monday, November 16th

Wondering what the winter ahead will bring?

What is El Nino and how will it influence our weather this winter?

Why is forecasting winter weather so tough?

WLEX Chief Meteorologist Bill Meck & NWS Meteorologist Tony Edwards will answer these questions. Additional topics will include a discussion on past winter storms in Kentucky, how to stay safe in winter weather, and how to assist the National Weather Service and the media by reporting significant winter weather.
